PREFATORY NOTE

In presenting Volume III of the ALUMNI DIRECTORY AND TEN-YEAR BOOK every effort has been made to make available complete class, alphabetical, and geographical lists of the alumni and to have a permanent record of all of those who have registered at Stanford since the beginning. In addition, pursuant to the resolution of the Board of Trustees, the alumni of Cooper Medical College are separately listed. This publication has required many months of continuous and persistent labor on the part of the Alumni Secretary, Mr. J. E. McDowell. In spite of his vigilance and painstaking methods the record is necessarily somewhat incomplete. Since we are very anxious to have our record of the Stanford family as complete as is possible corrections or additions will be much appreciated. We are already making plans for the new directory which will come out in 1930.

We hope that this directory will be of use to all of the men and women of Stanford and that it will contribute to the development of a sense of unity and solidarity. Stanford is going through a transition stage from a memorial institution to a great national university. In our further growth we need the continued interest and help of all of those who have been in any way connected with the University.

RAY LYMAN WILBUR.

CONSTITUTION

(As amended, 1908–21)

IN order to promote the interests of the University, to secure unity among its graduates, and to foster an attachment to our *Alma Mater,* we do hereby constitute ourselves an association to be known as the Alumni Association of the Leland Stanford Junior University.

I. MEMBERSHIP

1. All persons who have received a degree from the Stanford University are members of this Association.

2. All former students of Stanford University are associate members of this Association and shall have all rights and privileges of membership.

3. All members of the Faculty are honorary members of this Association.

II. OFFICERS

1. The officers of this Association shall be: (1) a President; (2) a Vice-President; (3) a Secretary-Treasurer; (4) an Executive Committee consisting of the Secretary-Treasurer and four other elected members, one of whom shall be designated as Chairman; and (5) an Advisory Board, consisting of the President, the Secretary-Treasurer, one representative elected by the graduating class for the term of one year, and nine elected members who shall be graduates of five years' standing, and who shall be elected for three-year terms. . . . The Advisory Board shall elect its President and Secretary.

2. All other officers shall serve for one year or until their successors are elected.

III. DUTIES OF OFFICERS

1. It shall be the duty of the President to preside at all business meetings of the Association, to deliver the President's address on Alumni Day, and to perform such other duties as usually belong to his office.

2. It shall be the duty of the Vice-President to preside in the absence of the President and to perform the other duties belonging to his office.

3. It shall be the duty of the Secretary-Treasurer to keep accurate minutes of the meetings of the Association and to act as Secretary of the Exetive Committee, of which he shall be a member.

4. It shall also be the duty of the Secretary-Treasurer to have charge of the collection and disbursement of the funds of the Association.

5. The Secretary-Treasurer shall be allowed ten per cent of all dues or assessments collected, as compensation for his services.

6. It shall be the duty of the Executive Committee to arrange for the programme to be presented on Alumni Day; or any programme for other public occasions; to regulate the finances of the Association; to perform such other duties as may be imposed upon it; and to attend to all busines of the Association not otherwise provided for.

7. It shall be the duty of the Advisory Board, when deemed advisable, to consult alumni, undergraduates, faculty, and trustees, and to make recommendations regarding the welfare of the University and of the Alumni Association.

IV. COMMITTEES

1. The President shall be ex-officio a member of all committees.

2. At each annual business meeting the President shall appoint a committee of two persons to audit the Treasurer's accounts.

3. A Regional Director of the Alumni Association shall be appointed annually in communities which the Advisory Board of the Alumni Association shall designate. The purpose of the district organization shall be to develop local interest in respect to the undertakings of the University and the policies of the Alumni Association. The Regional Director shall be selected and shall hold office in the manner prescribed from time to time by the Advisory Board of the Alumni Association. The duties, privileges, and jurisdiction of the Regional Directors shall be defined from time to time by the Advisory Board of the Alumni Association.

V. ELECTIONS

1. The February issue of the *Stanford Illustrated Review* shall give notice of the annual nomination and election of officers of this Association. Said notice shall contain the names of the incumbent officers and shall indicate the hold-over members of the Advisory Board, and shall contain in full the provisions of this Constitution relating to nominations and elections.

2. Nominations in writing, signed by at least twenty members, shall be required for any nomination. Nominations shall be forwarded to the Secretary-Treasurer between the first day of February and the first day of April of each year. On or before the fifteenth day of April of each year, the Secretary-Treasurer shall mail to every member of this Association whose dues for the current year have been paid, an official ballot containing all the nominations, with the addresses of the nominees and the number of proposers of each, and said ballot shall be published in the April issue of the *Stanford Illustrated Review*, provided, however, that where no contests occur, the Secretary-Treasurer shall be empowered to cast the ballot.

The Executive Committee shall have charge of the election. The elector may cast a written ballot in person, or by mail addressed to the Secretary-Treasurer, marked "Ballot" and disclosing the
